### Future Fishers of Men

A few weeks ago, was driving back from a church in Clarion, PA (about 35 minutes from our property) and I felt God nudge me to go to the farm instead of the house.

I thought maybe God wanted me to sit and pray for a little bit.

When I pulled onto the property, I saw three boys (maybe between 11-14 years old) fishing on our pond. I walked up to them and introduced myself. I could tell they thought they were in trouble.

I told them they were welcome anytime and I started sharing my vision for the property. When I mentioned that I want to turn the pole barn into a small gym and meeting area, they got very excited.

One of the boys said, ***"We would love to have a gym so we could get stronger for baseball."***

We talked for about 20 minutes. After I left I felt God speak to my heart and say, *"Those are my boys...they will be my disciples, and I want to use them to change the world."*

Then I felt Jesus joke with me a little because I thought of Him smiling and say, *"I'm going to make them fishers of men..."* Haha!

I also heard God say, *"These boys need a strong Christian mentor in their life to show them how to follow Jesus."*

I've had three other really cool conversations with people out in western PA, and with every meeting I feel God reminding me that THERE IS MINISTRY TO BE DONE IN PARKER.
