### Feels like Fall!

Our family attended BCM's annual North American Mission Conference at Camp Sankanac near Pottstown, PA (Cherith and I pictured below).

The theme was, **A World of Opportunities**, and we got to hear updates from various BCM leaders around the world, as well as our local leaders.

Our new president, Rick Rhoads, gave a State of the Mission speech, and I'm excited to let you know that BCM International is in a great position for growth in several areas! I'm looking forward to seeing how God moves in this next year!

I prepared a message on the topic of discerning God's calling. The focus was gaining a greater understanding of the opportunities He provides, and the invitations He gives, for people to partner with Him in fulfilling the good works He has prepared in advance for us to do.

During the middle of the month, we had a men's group from LWCC come out to our farm property to help clear out a pole barn. We had a great time of fellowship, prayer, and got a lot of work done!

Three weeks before we came out, the local owner of the local truck stop asked me if I would ever consider doing a Sunday morning message at the diner!! WOW! What an opportunity! So we all had "Sausage Gravy and a Sermon" on Sunday morning.
