

Prayer Updates

- We could use a large metal shipping container to start storing things.
- An old pickup truck to haul things
- At the Parker, PA event we saw LOTS of young moms and kids of all ages, and there was NOTHING for kids at this event! One of the men from LWCC who was there helping said that we need to start planning for next year to engage the kids!
- There is lots of substance abuse happening out in this area. Pray for opportunities to share the gospel and get people the help they need to heal.
- A men's group from LWCC is coming out the third weekend in August to continue working on the property!

We had a time of prayer Sunday morning for God to continue this good work

Camp Season

Camp season is in full swing this month!

My first week of camp was at **Streamside**, located in the Poconos. This camp focuses on ministering to young people from New York City and Philadelphia.

The theme was, "**Conquering Giants**" and we focused on gaining VICTORY through FAITH in Jesus.

My second week of camp was at **Sankanac**, located near Pottstown. Their theme was, "**Anchored in Christ**" and we focused on passages about GRACE, FAITH, and HOPE.

I just finished my **third week** of camp, at Camp Hebron and their theme is, "**The Heartbeat.**"

Between camps, we had a group of 15 people travel out to our property in Parker, PA for the 150th celebration! It was amazing!

Some people camped on the property while others stayed at a local motel. We got a lot of work done and I'm just so encouraged to see movement taking place toward this vision.

We also held our first service on Sunday morning where I got to share a message from God's Word as well as casting vision for how we see God using this property in the future.

We're excited to see how God continues to move in the future!

PRAISE

- We had our first group of 15 people serve at our property
- We started developing two of the natural springs we found.
- Lots of work got done on the pole barn.
- The local truck stop owner asked me if I would be interested in doing a sermon or some type of service sometime on a Sunday morning!
