### Installation and Gap Year Course

Last Friday evening, April 21<sup>st</sup>, BCM held an Installation service for our new president, Rick Rhoads (see picture below). It was an encouraging and inspiring event for me to be in a room surrounded by so many godly leaders of various generations!

I am so thankful for all the leaders God has equipped and empowered for missions over the last 40 years! And even more thankful to see them investing in and acknowledging the next group of leaders God will use in missions for the next 40 years. What an exciting time to be in ministry!

Please pray for Rick as he leads BCM and the next generation of missional leaders around the world.

### Guide Program at Camp Hebron

Next week I'll be finishing up teaching my course on discerning God's calling for Camp Hebron's gap year program. Guide is a nine-month, adventure and discipleship program for young adults.

One of my greatest passions is equipping and empowering young people to **deepen their faith, discover their purpose, and develop their leadership**. And I am so thankful for the opportunities that God continues to provide for me to do this!

I have put together a course called, **TOP Calling**.

As my ministry with BCM grows I will be putting together courses that address significant areas of leadership and spiritual development. TOP Calling is the first one and I have been testing it and refining it on various small to mid-size groups. See more details below.

### TOP Calling

God's calling used to be such a difficult concept for me as I struggled to believe His specific calling existed for today. However, Ephesians 2:10 says that He has created us to do good works that He has **PREPARED IN ADVANCE** for us to accomplish.

Now, helping others discern and move into the good work that God prepared for them has become a great passion for me! TOP stands for: **Talents, Opportunities, and Passions**. The course goes into great detail how these three areas work together to carry out God's calling for our lives.
