A Demon in the Park

So many cool things have happened this month in ministry, but I must share my favorite story about meeting a young man (18yrs old) named, Zach.

Around lunch time, I will often take a walk at the park near my house. I spend about 10 min of that time walking backwards for knee-strength (ask me about that later if your interested). This young man saw me walking (backwards) so I greeted him and explained what I was doing.

Right away he asked, "Are you a Christian?"

I said, "yes" and he looked shocked and excited. He asked if I could pray or do a blessing for him and said, **"I believe I have a demon attached to me."** I asked him more about what was going on and told him that Jesus has the authority to make demons leave. I asked him if he believed Jesus could do this. He said, "No, I don't."

After some more conversation he ended up leaving without prayer and said, "I think I'll be OK." I went back home, and my family prayed for Zach and for another opportunity to talk with him.

Fast forward one week. I met him in the park again! This time, he said, "God told me to go to this church, but the doors were locked. But on the way home, **some guy gave me this Bible!**" He showed me his new pocket-sized New Testament that the Gideon's are known for passing out.

We talked more, I explained the Gospel and what Jesus did on the cross, and **he asked if he could pray to receive JESUS!!!!** We prayed right there and I'm praying for another meeting to help him get some discipleship resources. Pray for ZACH!

REYS Fundraising Banquet

REYS is a youth center located in Mount Joy, PA. They are one organization I have helped grow in their leadership development through my ministry with BCM and Cornerstone Leadership.

I was honored to speak at their annual fundraising banquet where I helped cast their vision for reaching the next generation with the good news of Jesus Christ (while using an inflatable elephant)!

REYS is on a mission to reach local youth in Christian love, to encourage, develop, and equip them to experience godly wholeness and success! Jesus cares so much about reaching children and making a way for them to know Him. Find out more about REYS and how they're doing that here: <https://reys.org/>
