Getting Ready for Summer

Hello!

It means so much to us that you care about our ministry with BCM, and that you think about us, pray for us, and support us in various ways.

I am continually grateful to be surrounded by a community of Christ followers and have the opportunity to spread the message of HOPE locally and globally!

Some praise updates:

Cherith just finished up home school...and she is in full summer mode already! Be praying for her as she will be traveling, camping, and doing ministry with us all summer.

Heather finished teaching a course on National Parks to a group of students at a local co-op. That was one of her highlights this month.

I finished up teaching a Gap Year course on discerning God's calling at Camp Hebron! That was the highlight of my month! I love equipping and empowering young people to pursue God's best for them!

I am starting to prepare for a full summer of ministry doing camps, retreats, Parker property projects, leadership development workshops, and other speaking opportunities! Please pray for our health and energy levels and that we can build in strategic rhythms of rest and refreshment.

May is a special month for us!
We celebrate Heather's Birthday May 5th
Mother's Day - May 14th
Our Anniversary - May 24th
Memorial Day - 29
